Product Description

Enhance your security with the H6C Pro 5MP Camera. Featuring a 360-degree panoramic view, 2K+ resolution, and colour night vision, it delivers crystal-clear footage day and night. 2 way talk allows seamless communication, while motion detection and human shape detection ensure you're always alerted. With patrol mode, loud noise detection, and sleep mode for privacy, the camera ensures comprehensive security. Supports 2.4/5G Wi-Fi and up to 512GB storage, making it perfect for modern smart homes.
